

15TH INTERNATIONAL WORKSHOP ON WOMEN & HIV 2025

FROM ADOLESCENCE TO MENOPAUSE AND BEYOND

HYBRID | BARCELONA, SPAIN | 4-5 APRIL

#HIVWOMEN

ABOUT THE WORKSHOP

The **15th International Workshop on Women & HIV** will take place in a hybrid format from 4-5 April 2025 in Barcelona, Spain.

The International Workshop on Women & HIV has now completed its 14th year and continues to evolve. It is an outstanding opportunity for healthcare providers, researchers, government, industry, and community representatives to discuss, debate, and further their knowledge on the issues related to HIV and women.

Comments from last year's delegates:

- *"Its a great opportunity that concentrates on issues related to women living with HIV and the environmental factors."*
- *"Focused, evidence-based, engaging and passionate."*

REGISTRATION IS OPEN!
